PROFILE

Over the past 5 years, building upon my educational background, I have been working in content creation. However, my personal interest in programming compelled me to learn and advance in this field. I have been diligently trying and practicing daily to upgrade my knowledge in this field. Some of my Project in this Demo Portfolio:

PROFESSIONAL EXPERIENCE

Takhfifan-Netbarg

Front-End internship

01/2023 – present | Tehran, Iran

From April until now, I have been working as an intern in the technical team one day a week, and I tried to use the experiences of the technical team manager during this time.

Takhfifan-Netbarg

Content supervisor

2020 – present | Iran, Tehran

I embarked on my career as a content specialist at Takhfifan-Netbarg Company, but during my time there, I swiftly demonstrated my abilities within a year, I was promoted to head of the content team, directing six employees, including two media staffers. Throughout this period, I improved my soft skills and optimally managed both my team and cross-departmental relationships with other company managers.

Fanap plus

Senior Content

2019 – 2020 | Tehran, Iran

After graduating with a bachelor's degree in Dramatic Literature, I opted to pursue a career in content. During my inaugural year at this company, I strived to gain proficiency with crafting content for a fledgling business while concurrently expanding my own expertise.
